Tall TREE

Attention Property Owners

Thank you for your patience as we fixed the main gate and worked through some security issues. For the 2nd quarter the contractor code will be 0128. This code will change every quarter so take notice of the change. This is to help with the safety and security of Tall Tree Properties.

Thank you for your help with this.

Some tips to keep cool in summer are:

- Stay hydrated and drink more water. Keep a reusable water bottle with you wherever you go
- Avoid caffeine and alcohol, as they can dehydrate you and make you feel hotter.
- Eat light and avoid heavy or spicy foods that can raise your body temperature.
- Wet or freeze a headband, a mist, or some ice cubes and apply them to your head, wrist, ankles, and forehead for an instant cooling effect.
- Take warm showers, as cold showers can shock your body and make you feel hotter afterwards.
- Keep your sunscreen, bed sheets, and blinds in the fridge or freezer to lower the temperature of your skin and your room.

**Thanks to our Variance committee for
all their hard work!**

SHOUT OUT!

Let's all say a special thank you to our maintenance men that helped during the storms in June. They always come through for Tall Tree! We appreciate you!
